Dear Bihui Jin,

For your 2026 NSERC Canada Graduate Research Scholarship - Doctoral ([CGRS D](#)) application, the final scores and rank are provided below. Detailed information on the review process and scoring system used to evaluate applications is available in the [NSERC review committee guide for Canada Graduate Research Scholarship – Doctoral and Canada Postdoctoral Research Award programs](#).

| Selection criteria | Weighting | Score out of 6 |
|--|------------------|-----------------------|
| Research potential | 50% | 5.67 |
| Relevant experience and achievements obtained within and beyond academia | 50% | 5.47 |
| Overall score | 100% | 5.57 |

Your application was ranked 5 out of 194 applications evaluated by the scholarships and postdoctoral awards review committee for Computing Sciences.

Kind regards,

Mina Zitouni
Program Officer
Scholarships and Fellowships Division
NSERC
